Meet Christopher

A few years ago, a young man named Christopher came to LBRM desperate for help. Weeks before coming to us, he was found nearly dead near a freeway due to infections and a self-destructive lifestyle.

After weeks in ICU fighting for life, he was finally released from a local hospital and other care facilities. He could only get around using a walker because his body was still weak.

His adoptive parents knew Christopher needed help administering medications and finding a new life with GOD, so they turned to LBRM. All our men's living spaces are upstairs, so we had to do something special for Christopher. Your support allowed us to answer the call.

We turned an office on the main floor of our men's house into a bedroom. Then we added another bed in the room for another disabled veterans experiencing homelessness who needed oxygen.

Christopher stayed with us for 18 months and left a new person - clean and strong. He started his own business and got married. His parents are so thankful for your support of Long Beach Rescue Mission for helping Christopher have a clean, sober, Christ filled life.

for your past support and consideration of a special gift to make Hosanna House possible for others like Christopher.

#### **OUR MISSION**

Long Beach Rescue Mission is a place of healing and hope serving the greater Long Beach community by improving the quality of life of the hurting and homeless through loving and equipping them to be reconciled: To God • To Self • To Family • To Society

you Can Make a Difference!

## WHY IS YOUR SUPPORT NEEDED?

The number of homeless in our community continues to grow. Your faithful support of Long Beach Rescue Mission has helped address many of their needs and lives have been changed because of you.

There is a segment of our homelessness population who has an additional challenge. These are homeless men with disabilities who need a special place to heal. The Hosanna House is that place.

# How Our Dream Will Turn To A Reality!

Thankfully, LBRM owns a piece of property adjacent to our chapel and our Samaritan House (for men). We plan to turn this property into a 15 bed facility for men experiencing homelessness with physical disabilities.

We were blessed to receive a gift from a generous donor to cover 3 years of operating costs for the Hosanna House.

LBRM has been blessed to have a foundation that will initially fund the project so we can commence with construction in May 2023.

Now, we are asking faithful donors to help us cover the \$2 million for construction, furnishings, etc.

Hosanna House is a 15 bed shelter for men with disabilities. When Samaritan House was built in the late 80's they didn't have the ADA requirements that exist today. We only have two beds that are available for men with disabilities, so this is a great need for our ministry so

W. ANAHEIM ST.

that we don't have to turn anyone away. Also 37% of the approximately 3,200 people experiencing homelessness in Long Beach have a physical disability, so this is a great need for our community. We are excited to expand our services to the most vulnerable of our community and look forward to bringing healing and hope to those in need.
